20 July 2021

Dear Mr Reed

Thank you for your letter dated 16 June on the Tewkesbury Borough Plan.

We are now finalising the proposed modifications from your letter to put into the template you sent. Once this is done, I will send this to you for your approval. These modifications will also be subject to an SA/HRA which is due to take place in the next couple of weeks.

We are proposing to take a report to both Members Executive and then Full Council in September to agree the modifications for consultation. We are looking to consult in October and November, and any representations from this consultation will be collated and sent to you for your consideration. It is hoped that we can adopt the Plan in February/March next year, to avoid the period of purdah prior to the 2022 local elections. Obviously, we understand this timetable is subject to your availability as well as Members' approval of the modifications.

Please let me know if you have any queries with regard to what is proposed.

Kind regards

Sandra Ford
Head of Development Services
