1.0 INTRODUCTION

1.1 The Policy

- 1.1.1. This document states Tewkesbury Borough Council's Policy on Street Trading, as defined by the Local Government (Miscellaneous Provisions) Act 1982 (Section 3 and Schedule 4).
- 1.1.2. In exercising its discretion in carrying out its regulatory functions, Tewkesbury Borough Council will have regard to this Policy document and the principles set out therein.
- 1.1.3. Notwithstanding the existence of this Policy, each application will be considered on its own merits, with reference to the principles and procedures that are detailed in this Policy.

1.2. The Objectives of this Policy

- 1.2.1. This Policy recognises the important service that is provided by street traders and the contribution they make to the local economy.
- 1.2.2. The objective of this Policy is to create a trading environment in which street trading complements existing premises-based retailing activities, is sensitive to the needs and concerns of residents and provides diversity in terms of consumer choice.
- 1.2.3. The Policy aims to ensure that street trading does not undermine safe and efficient passage along public highways.
- 1.2.4. This Policy aims to balance the needs of the wider community, local community and street traders, against the needs of those who may be adversely affected by the street trading activities.
- 1.2.5. The Policy aims to provide consistency and transparency in the way in which the Council deals with street trading and to ensure that street trading is fairly, appropriately and proportionately controlled, in line with the Council's Corporate Enforcement Policy.

1.3. The Law

- 1.3.1. The Local Government (Miscellaneous Provisions) Act 1982 (Section 3 and Schedule 4) provides the legal framework for the control of street trading in England and Wales. This activity is defined as "*the sale and exposing or offering for sale any article, including a living thing, in a street.*" Streets are further defined as to include any road, footway, beach, or other area to which the public have access without payment.
- 1.3.2. The main purpose of this legislation is to establish an appropriate regulatory regime which prevents undue nuisance, interference or inconvenience to the public brought about by street trading. This legislation provides local

authorities with the power to designate specific areas within their administrative boundaries as either:

- Prohibited Streets: those which are not open to street traders
- Consent Streets: where street trading is prohibited without Local Authority consent
- Licence Streets: where trading is prohibited without a Local Authority licence

1.4.1 Local authorities can place conditions on any Consent or Licence granted. The Act also creates offences associated with trading in Consent or Licence streets without the necessary authority: the person guilty of such an offence may be liable, on conviction, to a fine of up to £1000.

1.4.2 There are, however a number of exemptions provided in the Act, which are not considered to be street trading. These are detailed in Section 10 below (definition of 'Street Trading'). However it is important to note that exempted traders are still controlled by other regulatory legislation.

1.5 Licensing Act 2003

1.5.1 It should be noted that should a street trader wish to sell alcohol or provide late night refreshment, additional authorisation will be needed under the terms of the Licensing Act 2003.

1.5.2 Late night refreshment is the supply of hot food or drink between the hours of 11pm and 5am on any day of the week.

1.5.3 Licensing Officers will be able to provide further information on the requirements of the Licensing Act 2003.

- Oldbury Road, Tewkesbury from its southerly junction with Nelson Street to its northerly junction with Bredon Road.

2.2 Consent Streets

All other streets in the Borough have been designated by the Council as “consent streets”. This means that street trading can only take place in these streets with the consent of the Council.

2.3 Prime Sites

A “Prime Site” category is considered as one where an applicant seeks consent to trade in a street, and regularly occupies the same site for more than 4 hours on any one or more days, and is located within 100 metres of a shopping area as listed below.

- Lee Road and Northway Lane Shopping Centre, Ashchurch
- Church Road, The Green and Tobyfield Road, Bishops Cleeve
- Abbottswood Road, Court Road, The Parade, Usk Way, Ermin Park and Ermin Parade, Brockworth

- Blacksmith Lane, Brookfield Road, Chosen Drive and St Johns Avenue, Churchdown
- Kestrel Parade and Salvia Close, Innsworth
- Barton Street, Church Street, High Street, Mitton Way, Oldbury Road and Queens Road, Tewkesbury
- High Street, North Street and Station Road, Winchcombe

3.0 APPLICATIONS FOR A STREET TRADING CONSENT

3.1 Advice for New Applicants

- 3.1.1 New applicants are advised to contact the Council at their earliest opportunity, preferably before an application is made. This allows Officers to provide advice, as well as clarifying any areas of uncertainty.
- 3.1.2 It is the responsibility of the applicant, in the first instance, to identify the location(s) in which they wish to trade as there is no designated list of street trading “pitches” that can be traded from.
- 3.1.3 The Council can also provide advice in relation to other legal requirements of a new Consent Holder, for example, planning permission or food safety requirements.

3.2 Disclosure & Barring Service (DBS)

- 3.2.1 Applicants applying for a new street trading consent will be expected to obtain a basic DBS certificate (formerly known as CRB) from the Disclosure and Barring Service, which must be no more than one calendar month old when submitted to the Council.
- 3.2.2 The DBS certificate must be in the name and address of the applicant as detailed on the application form.
- 3.2.3 The original certificate must accompany the application form.
- 3.2.4 The Council will ask for a new DBS certificate from an applicant on renewal of their consent every third year beginning with the year after the issue of a new consent.
- 3.2.5 When determining an application for the grant or renewal of a street trading consent the Council will consider all relevant information relating to the suitability of the applicant to hold such a consent. Street traders and their commercial activities are often subject to minimum levels of supervision. They interact closely with members of the public and it is important that the public, especially vulnerable people are protected from harm, and from those who may harm them, wherever possible.

3.3 Suitability of Applicant

3.3.1 The Council will determine whether the applicant is a suitable person to carry on business as a street trader and may not issue a consent unless satisfied that the applicant is suitable. In determining this, the Council may have regard to any information, which it considers relevant including:-

- Whether the applicant has been convicted of a relevant offence;
- Refusal or neglect in paying fees due to the Council for a street trading consent, or for any other charges due for services rendered by the Council to the applicant in his capacity as the holder of a street trading consent;
- Previous failures of the applicant, without reasonable excuse, to make use, to a reasonable extent, of a previous street trading consent;
- Any previous enforcement action;
- Any previous refusal of an application for the grant or renewal of a Street Trading Consent;
- Any previous revocation of a Street Trading Consent.

3.3.2 Identification badges will be issued by the Council to demonstrate the suitability of the consent holder and any assistants who may be trading on their behalf. Other employees may not need to apply for DBS check and an identification badge as long as they are supervised at all times by a badge holder.

3.3.3 Identification badges do not reflect the street trading consent. Consent holders are still required to display their consent on their unit. Each applicant or assistant will only require one badge per person; this applies if they trade under more than one street trading consent.

3.4 Applications

3.4.1 All applications for grant or renewal of a Street Trading Consent must be made on the Council's prescribed application form. A copy of the prescribed form is attached to this Policy at **Annex A**.

3.4.2 Each application must be accompanied by the prescribed application fee. An application will not be considered as duly made until the prescribed application fee has been received.

3.4.3 The following will also be required to be submitted with the application:-

- Where the proposed trading is from a fixed location, a copy of a plan at a minimum scale of 1:2000, unless an alternative scale has been specified by a Licensing Officer. This plan should clearly identify the proposed site location by marking the site boundary with a red line.
- Where the trading is proposed to take place on a mobile basis, a list of the relevant Towns/Parishes in which trading is proposed to take place providing details where possible about specific areas.
- Confirmation that an adequate level of third party public liability insurance is, or will be, in place during street trading activity.

- Where the trading is to take place from private land, documentary evidence that the landowner has given their consent to the applicant to trade from their land.
- Two passport sized photographs of the applicant and any person who will be assisting with the trading on a regular basis. One of the photographs of each person must be endorsed with a statement verifying the likeness of the photograph to the applicant by a solicitor, notary, a person of standing in the community or any individual with a professional qualification.
- A basic Disclosure and Barring Service (DBS) disclosure certificate dated not more than 1 month prior to the date of the application.

3.4.4 Applications cannot be considered from anyone under the age of 17.

3.5 Processing an Application

3.5.1 Applications for grant or renewal of a Street Trading Consent will be notified by the Council to the following:-

- Gloucestershire Constabulary.
- Gloucestershire Highways.
- The relevant Town/Parish Council(s).
- The Borough Councillor(s) for the Ward(s) concerned.
- Environmental Health Officers at Tewkesbury Borough Council.
- The Planning Authority.

3.5.2 Additionally, where the application is for grant of a new Consent in respect of a fixed location, the applicant must also advertise their application by displaying the prescribed Public Notice at the relevant location for not less than 14 days beginning with the day after the application for Consent is made to the Council. The form of the Public Notice required is shown at **Annex B** to this Policy.

3.5.3 The Council will allow 28 days from the date that the application is received for people to make representations or objections in relation to the application.

3.5.4 Representations or objections will be accepted from any of the bodies listed at 3.3.1 and any other individual or business that can demonstrate that they would be materially affected by the proposed street trading activities.

3.6 Determining Applications with no Representations or Objections

3.6.1 Where no representations or objections are received within 28 days of the application being received, and the application complies with the council's policy in terms of the suitability of the trading location, applicant and type of goods, officers will grant Consent to the applicant in the terms that it was applied for.

3.7 Determining Applications through Mediation

3.7.1 Where a representation or objection is received in respect of an application, a Licensing Officer will, in the first instance, attempt to mediate between the relevant parties.

3.7.2 For example, it may be possible to find a compromise position in one of the following ways:-

- amending the times during which trading will take place;
- amending the days on which trading will take place;
- adding conditions to the Consent to address specific concerns;
- granting Consent for a trial period to assess the impact; or
- amending the list of articles to be sold.

3.7.3 Where all relevant parties agree to a compromise position, the Consent will be granted by Officers, subject to the agreed amendments.

3.8 Determining Applications Where Mediation Is Not Possible

3.8.1 Where representations or objections are received and it is not possible to reach an agreed compromise, the application can be referred, at the applicant's request, to a Licensing Sub-Committee for determination.

3.8.2 The Licensing Sub-Committee will be conducted in accordance with the procedure attached at **Annex C** of this Policy.

3.9 Key Considerations

3.9.1 Each application will be considered on its own merits.

3.9.2 The Council will have regard to all of the circumstances and all of the representations and objections that it receives. The Council will normally grant or renew a Street Trading Consent unless, in its opinion,:-

- a significant effect on road safety would arise either from the siting of the trading activity itself, or from customers visiting or leaving the site; or
- there are concerns over the recorded level of personal injury accidents in the locality where the street trading activity will be sited; or
- there would be a significant loss of amenity caused by traffic, noise (whether from trading unit or its customers), light pollution, rubbish, air quality, potential for the harbourage of vermin; or
- there is already adequate like provision in the vicinity of the site to be used for street trading purposes; or
- there is a conflict with Traffic Orders such as waiting restrictions; or
- the site or pitch obstructs either pedestrian or vehicular access, or traffic flows, or places pedestrians in danger when in use for street trading purposes; or
- street trading activities would undermine the safe and efficient passage along public highways and cause congestion; or

- the pitch interferes with sight lines for any road users such as at road junctions, or pedestrian crossing facilities; or
- the site does not allow the Consent Holder, staff and customers to park in a safe manner; or
- the trading activity would detract from the visual or other attractions of the area in which it takes place, particularly designated Conservation Areas, Areas of Outstanding Natural Beauty and Sites of Special or Scientific Interest; or
- street trading activities would conflict with the solemnity and tranquillity that can reasonably be expected at sensitive locations, such as close to a place of worship, cemetery, crematorium etc; or
- the street trading activity is carried out after dusk and the site is not adequately lit to allow safe access and egress from the site for both customers and staff; or
- a Consent has already been granted to another person to trade similar articles in the immediate vicinity.

3.10 Options Available to Licensing Sub-Committee

3.10.1 When determining an application for grant or renewal of a Street Trading Consent, a Licensing Sub-Committee can take any of the following steps as is considered desirable with a view to meeting the objectives of this Policy:-

- (a) grant consent to the applicant as applied for;
- (b) grant consent to the applicant subject to modifications to any of the following matters:
 - (i) the days on which trading can take place;
 - (ii) the times during which trading can take place;
 - (iii) the location(s) where trading can take place;
 - (iv) the articles that can be traded;
 - (v) the conditions attached to the Consent;
 - (vi) the duration of the Consent.
- (c) refuse to grant Consent.

3.10.2 In the interests of transparency, reasons will be given for any decision taken by a Licensing Sub-Committee.

4.0 DURATION OF STREET TRADING CONSENTS

4.1 Duration

4.1.1 A Street Trading Consent may be granted for any period not exceeding 12 months, but may be revoked at any time.

4.1.2 The holder of a Street Trading Consent may at any time surrender their Consent to the Council, and it shall then cease to be valid

- 4.1.3 A Street Trading Consent will normally be granted for 6 or 12 months, in accordance with the applicant's wishes, and will then expire.
- 4.1.4 The Council will consider granting a Street Trading Consent for a shorter duration than 6 months on application.
- 4.1.4 A Street Trading Consent may be granted for a shorter period as determined either through the mediation process described at Paragraph 3.5 or by a Licensing Sub-Committee. Consents lasting less than 6 months may be granted to provide a "trial period" during which any adverse impact of the trading can be assessed.

4.2 Renewal

- 4.2.1 Applications to renew an existing Street Trading Consent must be made at least 28 days prior to the expiry of the existing Consent.
- 4.2.2 If applications for renewal are not received at least 28 days prior to the expiry of the existing Consent, applications from other prospective traders wishing to trade at the relevant location will be considered.

5.0 CONDITIONS ATTACHED TO CONSENTS

5.1 Standard Conditions

- 5.1.1 When granting or renewing a Street Trading Consent, the Council may attach such conditions to it as they consider reasonably necessary.
- 5.1.2 Street Trading Consents will usually be granted subject to the standard conditions detailed in **Annex D** to this Policy.

5.2 Additional Conditions

- 5.2.1 Additional conditions, over and above the standard conditions, may be imposed on a Street Trading Consent on a case by case basis. Additional conditions may be attached either as a result of the mediation process described at Paragraph 3.5 or by a Licensing Sub-Committee when granting Consent.

6.0 APPEALS

6.1 Refusals / Attached Conditions

- 6.1.1 The Act does not provide an applicant with any direct right of appeal against a decision to refuse the grant or renewal of a Street Trading Consent, the revocation of a Street Trading Consent, or against any restrictions or conditions imposed on a Street Trading Consent.

7.0 COMPLAINTS AND ENFORCEMENT

7.1 General Principles

- 7.1.1 It is recognised that well-directed enforcement activity by the Council benefits not only the public but also responsible members of the trade.
- 7.1.2 All decisions and enforcement actions taken by the Licensing Authority will be in accordance with the Council's Corporate Enforcement Policy and the principles of consistency, transparency and proportionality set out in the Regulator's Compliance Code.

7.2 Offences

- 7.2.1 The following are offences under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982:-
- engaging in street trading in a prohibited street;
 - engaging in street trading in a consent street without Consent;
 - contravention of a condition in relation to trading location; and
 - contravention of a condition in relation as to the times between which or periods for which a Consent Holder can trade.

7.3 Complaints

- 7.3.1 Where complaints are received regarding the carrying on of street trading activities, these will be investigated in a prompt and professional manner.
- 7.3.2 If a complaint is found to be justified then the following actions may be taken by Officers:-
- verbal warning;
 - written warning;
 - simple caution;
 - prosecution; or
 - referral of the Consent Holder to a Licensing Sub-Committee.
- 7.3.3 If an existing Consent Holder is referred to a Licensing Sub-Committee, the Licensing Sub-Committee may take any of the following steps as are deemed desirable to meet the objectives of this Policy:-
- take no further action;
 - give a warning to the Consent Holder;
 - amend the days on which trading can take place;
 - amend the times during which trading can take place;
 - amend the location(s) where trading can take place;
 - amend the articles that can be traded;
 - amend the conditions attached to the Consent;
 - amend the duration of the Consent; or
 - revoke the Consent.
 -

8.0 AMENDMENTS TO THIS POLICY

- 8.1 Any significant amendment to this Policy will only be implemented after further consultation with the trade and the public.

For the purpose of this section, any significant amendment is defined as one that:-

- a) is likely to have a significant financial effect on licence holders;
- b) is likely to have a significant procedural effect on licence holders; or
- c) is likely to have a significant effect on the community.

9.0 FEES AND CHARGES

- 9.1 The fees charged by the Authority for Consents to trade should at least cover the cost of administering and enforcing the service.
- 9.2 The fees will be reviewed at least on an annual basis and published on the Council's website.
- 9.3 It is possible for the Authority to charge different fees for Consents that are for different durations or locations. Different fees can also be charged depending on the nature of the articles being sold and depending on whether the trading takes place at a single location or on a mobile basis.
- 9.4 Street trading fees may be waived at the discretion of the relevant Corporate Head of Service, acting in consultation with the Chairman and Vice-Chairman of the Licensing Committee. Fees may only be waived in relation to charitable or community events, or events of a similar nature. Each event will be judged on its own merits.

Annex E

Guidelines on the Suitability of Applicants

General Principles

The primary aim of this policy is public protection. To help in achieving that aim, the council will consider the suitability of applicants to be authorised as street traders. Street traders and their commercial activities are often subject to minimum levels of supervision. They interact closely with members of the public and it is important that the public, especially vulnerable people are protected from harm and from those who may harm them, where ever possible.

The Council will determine whether the applicant is a suitable person to carry on business as a street trader and may not issue a licence unless satisfied that the applicant is suitable, in determining this, the authority may have regard to any information, which it considers to be relevant, in particular:

- Whether the applicant has been convicted of any relevant offence;
- Whether the applicant has been the subject of any relevant enforcement action;
- Any previous refusal of an application for the issue or renewal of a street trading consent (and the reasons for the refusal);
- Any previous revocation of a street trading consent (and the reasons for the revocation)

For the purposes of this policy, relevant offences include unspent convictions and cautions, for offences involving dishonesty, the use and supply of controlled drugs, violence and offences of a sexual nature, which are less than 3 years old from the date of application, will be included in the consideration of whether the applicant is a suitable person to hold a licence.

A person with a conviction for a relevant offence will be expected to have remained free of conviction for a period of time, before an application is granted. Some discretion may be exercised if the offence is isolated, minor in nature and there are mitigating circumstances. However, the overriding consideration will always be the protection of the public.

Notwithstanding the above, the Council is aware of its duty not to restrict its discretion and it shall permit representations from the applicant explaining why it may nevertheless, be appropriate to receive consent.

Guidelines on the relevance of convictions

Each case will be decided on its own merits.

- (1) The Council will assess whether:
 - (a) an applicant for the grant or renewal of a street trading consent is a suitable person to hold or to continue to hold a street trading consent,
 - (b) a person who wishes to be registered as an assistant to a street trading consent holder or to continue to be registered as an assistant to a street

trading consent holder is a suitable person to be registered as an assistant to a street trading consent holder.

In making that assessment, the Council consider the previous convictions of such persons.

- (2) In considering the previous convictions of those persons mentioned in paragraph 1 the Council will consider the following:-
 - (a) whether the conviction is relevant;
 - (b) the seriousness of the offence;
 - (c) the length of time since the offence occurred;
 - (d) whether there is a pattern of offending behaviour;
 - (e) whether that person's circumstances have changed since the offence occurred;
 - (f) the circumstances surrounding the offence and the explanation offered by that person.
- (3) The following examples provide a general guide on the action to be taken where relevant convictions and cautions are evident

(a) Offences involving Violence

Applicant with convictions for offences involving violence will be considered carefully. Depending on the nature and seriousness of the offence, when applicants have convictions for causing grievous bodily harm, wounding, assault, or even more serious offences involving violence. In general, a period of three to ten years free of convictions should elapse before an application will be granted.

(b) Drug related offences

An isolated conviction for a drug offence, whether for unlawful possession only or involving the supply of controlled drugs, will not necessarily prevent an applicant from obtaining a street trading consent, provided the applicant has at least three years free of convictions.

An application will normally be refused where an applicant has more than one conviction for offences related to the possession of drugs and the last conviction or the date of release from jail, where a custodial sentence has been imposed, is less than 5 years before the date of the application.

(c) Sexual offences

Applicants with any unspent sexual related offences will not normally be granted a street trading consent.

(d) Dishonesty

The holders of a street trading consent and their assistants have to be persons who can be trusted. It is easy for a dishonest trader or assistant to take advantage of the public. Members of the public using a street trading outlet expect the holder and his assistant to be honest and trustworthy. For these reasons a serious view will be taken of any conviction involving dishonesty.

Convictions for isolated minor offences will not necessarily prevent an applicant from obtaining a street trading consent but in cases involving serious theft or fraud, at least three years should elapse before an application is granted. When offences of

dishonesty have been accompanied by violence, at least five years free of conviction should elapse before an application will be granted.

(e) Motoring Convictions

In most cases, motoring offences are unlikely to be relevant when deciding if an applicant for a street trading consent or to be registered as an assistant to the holder of a street trading consent is a suitable person. However, there may be instances where the offences are of a very serious nature. In those cases, an applicants would be expected to show a period of at least 3 years free of any such convictions from the date of conviction or the date of release from jail, where a custodial sentence has been imposed.

(f) Formal Cautions and fixed penalty notices.

For the purposes of these guidelines, the Council will treat Formal Cautions issued in accordance with Home Office guidance and fixed penalty notices as though they were a conviction before the courts.

In all cases, each individual application will be decided on its own merits.

Disclosure and Barring (DBS)

All application forms must be accompanied by an enhanced disclosure as the Council must be satisfied that he applicant is a suitable person.

If any unspent convictions or cautions are declared, depending on their nature, then the Council may as part of the application process hold a hearing to determine whether the applicant is a suitable person to hold a street trading consent. The application will not proceed until the suitability of the applicant has been determin**ed**.
