

Volunteer Flood Wardens Wanted

GRCC is working with **Tewkesbury Borough Council** to increase community resilience in response to severe weather events and are **recruiting Volunteer Flood Wardens**

The Flood Warden Role:

- Work closely with parish/town councils
- **Report** on flooding events
- **Monitor** local watercourses
- **Feedback** any clearance work
- **Communicate** between authorities and communities
- **Raise awareness** of flooding and promote self-help
- Contribute to Town/Parish council's Community Emergency Plans
- Help identify **flood hotspots**
- **Log events** and actions taken during a flood

Full training and support provided. For a Flood Warden Expression of Interest Form, or any other information please contact Rachel Seymour, Flood & Community Resilience Officer at GRCC (Gloucestershire Rural Community Council), on rachels@grcc.org.uk or 01452 528491
